

Paignton Community and Sports College

Coach Education Room

Paignton Community and Sports College's coach education room provides an ideal learning environment for any education course.

The air conditioned and under floor heated facility boasts a large spacious classroom area, equipped kitchen with tea and coffee making facilities, a moveable dividing wall and built in projector.

The room overlooks the brand new FIFA 2* Artificial turf pitch which can be also hired alongside the coach education room to cater for the practical element of courses.

The facility can also host events such as birthday parties, holiday camps and team meetings.
